Dear Jim:

I have tried many times to reach you, but with no success.

I understand that the Ivy Network Corporation will hold a Board of Directors meeting sometime during the month of December. I would like to attend this meeting in order to conclude some unfinished business between Radio Station and the Ivy Network Corporation.

Hopefully, I will attend the meeting with Alan Auerbach.

I have resorted to sending this letter by certified mail only to insure that you get it and that it is read.

I look forward to hearing from you in the near future.

With every best wish, I am

Cordially yours,

Paul S. Neustadt
Business Manager
